

Hello Everyone,

We hope you are all well.

We just wanted to update everyone on how things are progressing here at The John Graham Centre.

We now have 3 bubbles at the centre.

**Bubble 1** is in the art room area and they have been working really hard doing some lovely artwork with an ocean theme, students can also go for a walk in the conservation field and to see the animals in the fields.

**Bubble 2** is in the Big Day Centre, students have been having fun taking part in Drama, signing, music, games, and quizzes and do some artwork if they want some time to relax.

**Bubble 3** is using the kitchen and the small Day centre and recently use of the bottom farm. Students have been bringing their own ingredients into the centre and working hard when cooking, they also enjoy playing pool and going for walks in the woods and on the beach

All areas have access to outside space and the woods.

As you know from the previous letter, we had to sell some busses, so we now only have 2 buses at the centre and two cars, if you would like to return to the centre and you can't get here without our transport please get in touch and we will support you to request a taxi from you care team if this is something you would like to do.

Unfortunately, we are limited to the number of students we can have on site so at the moment we cannot have 1:1 student here. We have recently started to make some arrangements to offer some community support and hopefully this is something we can start soon if funding is agreed by care teams.

If you have any questions or concerns, please call us on 01227 478564 we will do our best to help.

Take Care

The John Graham Centre
